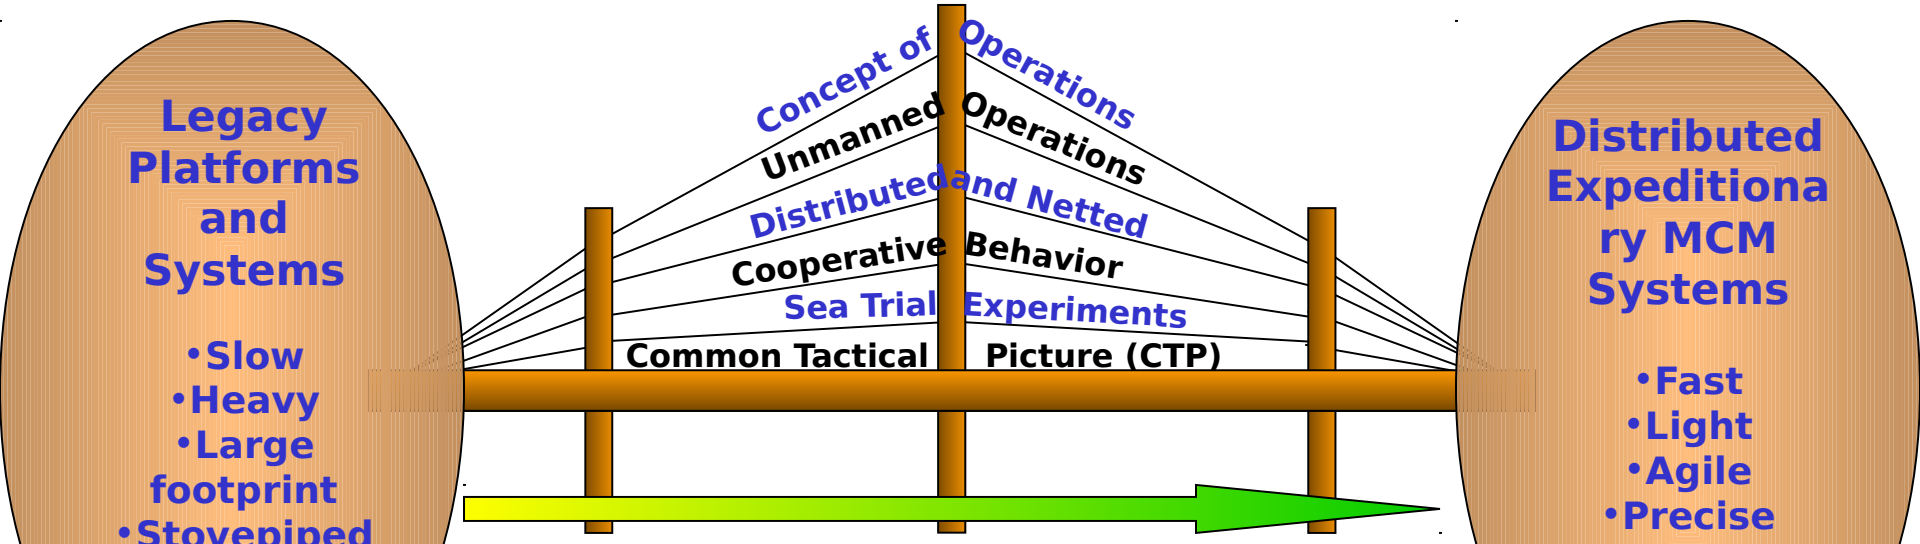
Naval Mine Countermeasures Vision

MajGen J.R. Battaglini
Director, Expeditionary Warfare Division

MCM Vision

Key Enablers:



Legacy Platforms and Systems

- Slow
- Heavy
- Large footprint
- Stovepiped
- Primarily CONUS-based

Distributed Expeditionary MCM Systems

- Fast
- Light
- Agile
- Precise
- Lethal
- Modular
- ORGANIC

MCM VISION:

Field a <u>Common</u> Set of <u>Unmanned</u>, <u>Modular</u> MCM Systems <u>Employable</u> from a Variety of Host Platforms or Shore Sites that can <u>Quickly Counter</u> the <u>Spectrum of Mines</u> to Enable <u>Assured Access</u> with <u>Minimum Risk from Mines</u>

Accelerate MCM from Weeks/Days to Hours/Minutes

Get the Sailor/Marine Out of the Minefield
